Located in a prestigious coastal neighborhood, this newly built apartment embraces the best of both worlds: the tranquility and freshness of an unspoiled eucalyptus forest and the priceless panoramic view of the Mediterranean Sea from a spacious, sunny terrace. Every detail of this project is designed for comfort, privacy, and high-quality living. The apartment features two spacious bedrooms and two modern bathrooms, carefully finished with quality materials and a contemporary design. The open living and dining area flowing to the terrace creates a direct connection to the outside environment, maximizing the spectacular sea views. Living in this complex means a high level of service: 24-hour concierge, multiple swimming pools, carefully designed
