A large detached villa on a well distributed 850m² plot in Los Balcones. With a long driveway and plenty of tree coverage in the rear garden. The property is on two levels. On the ground floor you find 3 good size double bedrooms, 1 with en-suite shower room. A second shower room, separate kitchen, lounge/dining room and door out to the lovely pool and entertaining area. Up either internal or external stairs you have the top floor which consists of a large lounge/dining room, kitchen, main bedroom with en-suite and a nice size terrace area over looking the pool and surroundings. The property benefits from air-conditioning and gas central heating.
