This property has private off road parking, a covered from terrace and is south east facing. The ground floor consists of the lounge/dining room, an extended kitchen, 2 double bedrooms and family bathroom (with window). Internal stairs to the first floor and the third bedroom with ensuite shower room. There is also a good size roof top solarium which has excellent storage space, brick built BBQ area and sun awnings. Maintained well through out and air-conditioned. The property is located on a nice complex with easy access to the large communal pool area, bus routes, local medical facilities (hospital), commercial centre with a choice of bars, restaurants and shops.
