Townhouse, Los Locos, Torrevieja

63,000€

This is a townhouse located approximately 10 minutes walk from Playa de Los Locos and just a few minutes to all amenities, also on a local bus route to the town centre and shopping centers. There are communal gardens and swimming pool available with the property. The property has a garden/patio at the front and a few steps up to a covered terrace to the front door. You enter into a small hallway with stairs up to the first floor and doorway into the lounge/dining room. The kitchen is semi enclosed with an adjoining covered utility room and also the ground floor w.c. Upstairs you have 2 double bedrooms with built in wardrobes, ceiling fans and air-conditioning. The bathroom has a walk in shower and window. The property needs some modernisation but all the windows have been replaced. This property has been reduced in price to reflect the work required but is well worth a look in this location.
